Johnson Farm Hide & Seek

The Johnson family lived on the farm from 1852 to 1941. Today, the NPS maintains the historic farm so visitors can discover what farm life used to be like in the 1930's.

Use this brochure to find hidden objects and places that were important to the Johnson's everyday lives.

On your visit today, see if you can find some of these things.

Make sure you leave the things you find, so others can find them too!
