

Other Things Hiding for You to Seek

A tree with woodpecker holes

A bee buzzing near a flower

A dead tree (snag)

Animal scat (POOP)

Something purple

A bird feather

A pine cone

A plant with berries

A plant with thorns

It sure is fun getting outside and finding things. We hope you come back and help us find some more cool things hiding in nature.

Black Hills National Forest Nature's Hide & Seek

Sshhhhh!
I'm hiding from TRACK.

I can't find KIP. She always hides so well. Can you help me?
Oh, there she is. You're a good helper.

Now, let's find some other things hiding in nature. Finding things in nature is fun. Just remember that all things in nature have a special place. Make sure you leave them here, so others can find them too.

Tree with needles

Many things in nature go unseen. Their size, color and location often cause us not to notice them. On your walk today, see if you can find some of these things.

Bird

Spider web

Wildflower

Rock with lichen

Wow, KIP! Look at all the huge boulders.
