

# More to Find

## Boy Scout Bench

While you are hiking along the stream, have a seat and rest on the benches made by the Boy Scouts while you listen to the water trickling by.

## Playgrounds

There are two playgrounds that can be enjoyed. The playground near area 6 has a shade canopy over it for the hot summer days!

## Horseshoes

There are two horseshoe pits at Felicita Park. Feel free to bring your horseshoes and play a couple games.

## Check Dams

Check dams are used to slow down erosion by slowing the water flow of the creek.

**How many check dams can you find in the park?**

## Cactus

There are many different types of cactus. Do their spines all look the same?

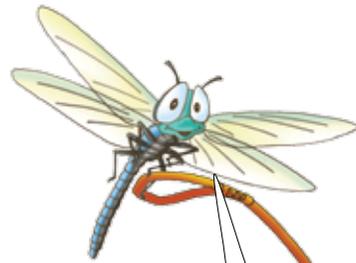

**How many different types of cactus can you find?**

# Felicita Scavenger Hunt

Hey TRACK, people have left lots of cool treasures in Felicita County Park throughout history!

That sounds fun, KIP! Let's go find them all.

Use this brochure to guide you to some of Felicita County Park's treasures. Check items off as you find them.

# Footsteps of Felicity

Many people have inhabited the land of Felicity Park over the years. If you look closely, you can see where they made their mark among the natural beauty of this place.

**Can you find all of these features?**

## Museum

The museum can be opened on request. There you will find a mural depicting the story of Princess Felicity helping an injured soldier as well as artifacts and information.

**Many animals are on display. How many can you find?** \_\_\_\_\_

## Kumeyaay Pottery

This pot is an example of what the Kumeyaay Indians used to hold water, food or seeds. This is a bronze sculpture, but **what material would the original pottery be made from?** \_\_\_\_\_

## Big Egg

What bird's egg is this sculpture representing? **How many times larger than the original is it?** \_\_\_\_\_

## CCC Camp Kitchen

The Civilian Conservation Corps (CCC) camped at Felicity Park for months at a time while they worked. They built this diablo stove to cook their meals. **What materials were used to build this stove?** \_\_\_\_\_

## Bridges Galore

Depending on the location and the needs for the bridge, it can be made from different materials and take different shapes. There are 8 very different bridges in Felicity Park. Can you find them all?

## Engelmann Oak

Engelmann oaks only grow in this region of the country. Once common, this tree has become a rare sight due to human activity. You can identify it by its bark and leaves.

Engelmann Oak leaf & bark

## Metates

These bowl shapes in the rock, called metates, were used by Kumeyaay people to grind acorns for food. **How many Metates can you find?** \_\_\_\_\_
