Welcome to the Haywood Community College Nature Trail Disc Golf Course

...where the flight of your disc is the trail and the tee-signs and scorecards are your nature guides.

Disc golf is essentially a “hike with a frisbee.” As you hike around HCC playing your round of disc golf, use the tee-signs and scorecards to learn about and connect with some of the natural resources found around the campus.

Rules: Complete each hole in the fewest number of throws by starting at the tee-pad and finishing with your disc in the basket. Each consecutive shot must be taken from where your previous shot landed. Out-of-Bounds (OB) areas are listed on each tee-sign. If your disc lands in an OB area, penalize yourself one stroke and throw from where your disc was last in-bounds. Have Fun!

Safety: Disc golf discs can cause serious damage to people and property. You are responsible for any damages caused by your disc. Be aware of your surroundings and be patient of others. Do not stand in front of other players who are throwing, and do not throw when people are in front of you.

## HCCNTDGC - Course Map

# "Birdies"

Whether shooting under par or seeing actual birds, it's always good to see as many "birdies" as you can during a round of disc golf. While playing your round today, use the pictures on this scorecard to identify a few of the more common birds found at Haywood Community College. Soon, identifying these birds will be as easy as making a five foot putt. Good luck and have fun!

## Register your Round... Earn a Prize!

The mission of the Kids in Parks program is to engage kids and families in outdoor recreation to foster lifelong wellness and meaningful connections to nature. Since disc golf is a great way to do that, we want to give you some disc golf gear to ensure you are able to enjoy future rounds. All you have to do is register your rounds at:
