 Providing a network of fun-filled adventures that get kids and families active outdoors and connected to nature.

Nature's Hide & Seek

Now, let's find some other things hiding in nature. Just remember that all things in nature have a special place. Make sure you leave them here, so others can find them too!

Spider web

Tree with
needle leaves

Bird

Poison ivy
Don't Touch!

Many things in nature go unseen.
Their size, color and location can make
them hard to find.

Lichen

Wildflower

Insect

Mushroom
Don't Touch!

On your walk today, see if you
can find some of these things.
