

"Birdies"

Whether in good scores or actual birds, it's always fun to see as many "birdies" as you can during a round of disc golf. While playing your round today, use the pictures on this scorecard to identify a few of the common birds found at Lewis and Clark Recreation Area. Soon, identifying these birds will be as easy as making a five foot putt. Have fun!

Bald Eagle

Blue Jay

Downy Woodpecker

Northern Flicker

Cardinal

Carolina Chickadee

Cedar Wax Wing

White-breasted Nuthatch

Eastern Bluebird

American Crow

Killdeer

White-winged Junco

Welcome to the Gavins Point Nature Trail Disc Golf Course

Disc golf is an excellent way to get outdoors and experience nature. As you play your round of disc golf today, use the back of this scorecard to learn about and connect with some of the natural resources found in Lewis and Clark Recreation Area.

Rules: Complete each hole in the fewest number of throws by starting at the teepad and finishing with your disc in the basket. Each consecutive shot must be taken from where your previous shot landed. If your disc comes to rest in a parking lot or road, or on the wrong side of a walking path, you're OB (Out-of-Bounds). Penalize yourself one stroke, and throw from where your disc was last in-bounds.

Safety: Disc golf discs can cause serious damage to people and property. You are responsible for any damages caused by your disc. Be aware of your surroundings and be patient of others. Do not stand in front of other players who are throwing, and do not throw when other people are in front of you!
