

Other Things Hiding for You to Seek

A tree with woodpecker holes

A bee buzzing near a flower

A plant with berries

Animal scat (POOP)

A plant with thorns

A dead tree (snag)

Something purple

A pine cone

A fern

It sure is fun getting outside and finding things.

We hope you come back and help us find some more cool things hiding in nature.

TRACK and **KIP** want You to become a Trail **TRACKER**

Thank you for joining us on the trail today. We want you to join the Trail **TRACKER** Team. It's fun, healthy and free. Best of all, you can earn prizes by walking TRACK Trails and TRACKing them on our website. For more information about the Trail TRACKER Team, other TRACK Trail adventures near you, or for general information about the **Kids in Parks** program, please visit our website at:

Nature's Hide & Seek

Sshhhhh!
I'm hiding from TRACK.

I can't find KIP.
He always hides so good.
Can you help me?

Oh, there he is.
You're a good helper.

Now, let's find some other things hiding in nature. Finding things in nature is fun. Just remember that all things in nature have a special place. Make sure you leave them here, so others can find them too.

needle leaves

Many things in nature go unseen.
Their size, color and location often cause us
not to notice them. On your walk today, see if
you can find some of these things.
