

“BIRDIES”

Whether in good shots or in actual birds, it's always fun to see as many “birdies” as you can during a round of disc golf. While playing your round today, use the pictures on this scorecard to identify a few of the more common birds found here at Owen High School. Soon, identifying these birds will be as easy as making a five foot putt. Good luck and have fun!

Welcome to the Owen High School Nature Trail Disc Golf Course... where the flight of your frisbee is the trail and the tee-signs and scorecards act as your nature guides. Disc Golf is a hike with a Frisbee... So, as you hike around playing your round of Disc Golf, use the tee-signs and scorecards to learn about and connect with some of the natural resources found in and around Owen High School. Who would have thought that playing in and learning about nature could be so much fun?

Rules: Complete each hole in the fewest number of throws by starting at the tee-pad and finishing with your disc in the basket. Each consecutive shot must be taken from where your previous shot landed. If your disc comes to rest in a parking lot or road, you're OB (Out-of-Bounds). Penalize yourself one stroke, and throw from where your disc was last in-bounds. Have Fun!

Safety: Disc golf discs can cause serious damage to people and property. You are responsible for any damages caused by your disc. Be aware of your surroundings and be patient of others. Do not stand in front of other players who are throwing, and don't throw when other players are in front of you!
