

Tree Love

When disc golfers hit a tree with their disc and get a favorable bounce, they call that "Tree Love." Use the pictures on this scorecard to identify a few of the trees found here at Richmond Lake Recreation Area. Every time you hit a tree with your frisbee, take a second to try to identify it. Look at its bark, leaf shape and other identifying features. Soon, identifying trees will be as easy as making a five foot putt.

Green Ash

Russian Olive

Cottonwood

Eastern Red Cedar

Welcome to the Richmond Lake Recreation Area Nature Trail Disc Golf Course... where the flight of your frisbee is the trail and the tee-signs and scorecards act as your nature guides.

Disc Golf is a hike with a Frisbee... So, as you hike around playing your round of Disc Golf, use this scorecard to learn about and connect with some of the natural resources found in and around the course. Who would have thought that playing in and learning about nature could be so much fun?

Rules: Complete each hole in the fewest number of throws by starting at the tee-pad and finishing with your disc in the basket. Each consecutive shot must be taken from where your previous shot landed. If your disc comes to rest in the parking lot, the road, or the lake, you're OB (Out-of-Bounds). Penalize yourself one stroke, and throw from where your disc was last in-bounds. Have Fun!

Safety: Disc golf discs can cause serious damage to people and property. You are responsible for any damage caused by your disc. Be aware of your surroundings and be patient of others. Do not stand in front of other players who are throwing, and don't throw when other players are in front of you!
