Welcome to the Enka High School Nature Trail Disc Golf Course... where the flight of your frisbee is the trail and the tee-signs and scorecards act as your nature guides. Disc Golf is a hike with a Frisbee... So, as you play your round of disc golf, use the tee-signs and scorecards to learn about and connect with some of the natural resources found in and around Enka High School. Who would have thought that playing in and learning about nature could be so much fun?

Rules: Complete each hole in the fewest number of throws by starting at the tee-pad and finishing with your disc in the basket. Each consecutive shot must be taken from where your previous shot landed. If your disc comes to rest in a parking lot or road, you're OB (Out-of-Bounds). Penalize yourself one stroke, and throw from where your disc was last in-bounds. Be Safe and Have Fun!

Safety: Disc golf discs can cause serious damage to people and property. You are responsible for any damages caused by your disc. Be aware of your surroundings and be patient of others. Do not stand in front of other players who are throwing and don't throw when other players are in front of you!

DG Tree ID

Deciduous Trees

Use the pictures on this scorecard to identify a few of the trees found here at Enka High School that lose their leaves for winter (deciduous). Every time you hit a tree with your frisbee, try to ID it. Look at its bark, leaf shape and other identifying features. Soon, identifying deciduous trees will be as easy as making a five foot putt.

Tulip Poplar

Red Maple

Northern Red Oak

White Oak

Chestnut Oak

Sassafras

Sourwood

The mission of the Blue Ridge Parkway Foundation's Kids in Parks program is to get kids and their families "un-plugged", outdoors and reconnected to nature. Since disc golf is a great way to do that, we want to give you some disc golf gear to ensure you are able to enjoy future rounds. All you have to do is register your rounds at: www.kidsinparks.com.
