

Mount Jefferson State Natural Area TRACK Trail

Mount Jefferson State Natural Area's TRACK Trail adventures were designed for use on the park's Summit Trail and Rhododendron Trail.

The Summit Trail is a 0.3 mile hike to the peak of Mount Jefferson, and is moderately strenuous.

The Rhododendron Trail is a 1.1-mile loop with an offshoot to Luther Rock. Use caution on the trail to Luther Rock as there are steep drops near some of the edges.
